

UNICA SUPER LOTION 900

DESCRIPTION

A soft pinkish lotion soap producing a rich and abundant lather. Its creamy texture is non-irritating and dissolves easily any greasy or grimy stains on hands, body, or hair. Contains soft emulsifiers and its well-balanced pH allows it to be used on body and hair. Ideal as a low-priced liquid soap.

DIRECTIONS

Apply a small amount into hands, body or hair and scrub into a rich lather. After washing, rinse thoroughly with drinking water and wipe dry before handing food products. For best result, soap should be in contact with skin for at least 30 seconds.
