

AUTOLAVE 2
Car Wash Detergent with bright agent

DESCRIPTION

AUTOLAVE 2 is a professional quality concentrated biodegradable foam liquid detergent, specially formulated for cars, boats, trucks and motorcycles. It can be used for hand or automatic car washing. Its mixture of powerful detergents and its rich and abundant foam wash away dirt, road film, bugs and other contaminants and won't attack the paint, wax, protective finish, rubber finishing bands or the chromium. His brightening agent gives a shine and durable results on any kind of paint.

ADVANTAGES

1. Less toxic and made from biodegradable ingredients.
2. Have a control Ph for delicate vehicle surfaces.

TECHNICAL DATA

pH (as is)	7.6 – 8.0
Density (20 °C)	1.02 g/cc
Colour	Dark red
Fragrance	Discrete cherry
Biodegradability	Complete
Flash Point	Superior to 95 °C
Freezing Stability	Keep out from freezing
Degradability determined in accordance with OECD no. 301D.	

DIRECTIONS

Use 15 mL of detergent per litre of warm water. If the vehicle is exposed to direct sunlight, wait for 15 to 30 minutes for the surface to cool. Rinse well after washing.
