

BIOSOLV 3
Pine Oil Solvent Base Degreaser Solvent

DESCRIPTION

BIOSOLV 3 is a liquid degreaser made with natural solvents. It contains a pine oil solvent and a odourless solvent. *BIOSOLV 3* has been specially formulated to dissolve easily: grease, pitch, heavy oil, asphalt, tar, urethane, coal tar, mastic, inks, paints, resin, creosote or all others kinds of heavy dirt, on concrete surfaces.

ADVANTAGES

1. 100% biodegradable with a fresh pine scent.
2. Can be use to replace traditional hydrocarbon solvents.
3. Can be dilute with water to be more economical.
4. Dissolves grease, oil and easily disinfect surfaces.

TECHNICAL DATA

pH (as is).....	6.5 - 7.0
Density (20°C).....	0.82 - 0.86 g/cc
Colour.....	Yellow
Fragrance	Discrete pine
Characteristic	Flammable
Biodegradability	Complete
Flash Point.....	53°C
Freezing Stability.....	Stable

Degradability determined in accordance with OECD no. 301D.

DIRECTIONS

General Cleaning: Apply BIOSOLV 3 on the surface to clean and let the solution work few minutes. Rinse with cold or hot water. For concrete surfaces, use BIOSOLV 3 (pure) and brush the floor in order to make penetrate the product. Let work the product a few minutes and rinse with cold or hot water.
