

BIOLUXE
Concentrated (16%) Dishwashing Liquid Detergent

DESCRIPTION

BIOLUXE is a powerful 2 in 1 concentrated superior quality product. Not only it cleans efficiently your dishes, but it is also an excellent multi-purpose household cleaner. It produces a rich and abundant lather while leaving your dishes sparkling clean and your hands soft. It is so mild that it cleans and refresh all your most delicate washable fabrics. It gently cleans smooth leathers, vinyl, all painted (automobile) or not painted surfaces. Powerful enough to wash doors, walls, tiles, wood surfaces or linoleum, it will make your windows and mirrors shine.

ADVANTAGES

1. Green detergent liquid with a pleasant scent.
2. It is biodegradable, phosphate free and not harmful for the environment.
3. Is a remarkable powerful degreaser, even on stubborn stains.
4. Produces a rich and abundant lather.
5. Easy to rinse.
6. Soft for hands.

pH (as is).....	7.0 - 7.5
Density (20°C).....	1.04 g/cc
Colour.....	Green
Fragrance	Fresh odour
Characteristic	None
Biodegradability	Complete
Flash Point.....	More than 95°C
Freezing Stability.....	Keep out from freezing

Degradability determined in accordance with OECD no. 301D.

DIRECTIONS

Use 28ml. - 1 oz of detergent in 5 litres of hot water along with the importance of the greasiness. It is better to pour at first the detergent in the washing bowl, and then add the hot water from the faucet to mix the detergent, that will form an abundant lather instantaneously. Rinse the dish with clear water.
