

ÉCOLOMAX Concentrated All-Purpose Cleaner

DESCRIPTION

ÉCOLOMAX is an extremely efficient cleaner degreaser, ideal for heavy duty degreasing. Its powerful cleaning agents begin to work immediately by suspending, emulsifying, and floating away ink, soot, carbon, grease, wax, soil, dirt, oil, black streaks, and stains of all type on all washable surfaces without damaging the finish! For industrial or residential cleaning task, interior or exterior. Immediate and unbelievable results on all type of indoor or outdoor finish (brick, aluminium, PVC, vinyl, glass fibre, marble, melamine), concrete pave, pool, spa, hardwood or laminate floor, all type of fabric covering (armchair, chair), kitchen appliance, range hood, floor covering (linoleum, ceramic tiles, carpeting), electronic filter, sporting good, all type of vehicles (car, truck, motor home, boat, ATV, snowmobile), heavy machinery, motor, machine parts, tires, mag wheels, spoke wheels, and car interior. It can be used as a disinfectant to kill bacteria that cause bad odours in drains and pipes, also as a stain remover and washing softener. The only cleaner you need for any cleaning works!

ADVANTAGES

1. It is biodegradable, phosphate free and not harmful for the environment.
2. Not flammable.
3. Powerful cleaner degreaser that easily dissolves all type of dirt, on all type of surfaces without damage it.
4. Safe for fabrics and coverings.
5. The only cleaner you need for any works.

TECHNICAL DATA

pH (as is).....	Up to 13.0
Density (20°C).....	1.04
Colour.....	Purple
Fragrance	Cherry
Characteristic	None
Biodegradability	Complete
Flash Point.....	More than 95°C
Freezing Stability.....	Keep out from freezing.
Degradability determined in accordance with OECD no. 301D.	

DIRECTIONS

Light duty cleaning:	1 : 100
Normal cleaning:	1 : 20
Heavy duty cleaning:	1 : 10
Vaporization - ready to use:	1 : 5
