

CAMNET

Automatic Car-Wash & Pressure Machine Truck Washing Detergent

DESCRIPTION

CAMNET is a professional quality ultra concentrated biodegradable liquid detergent, specially formulated for truck washing in automatic car wash or with pressure machine. Its mixture of powerful detergents wash away road film, bugs, diesel soot without brushing and won't attack the paint, wax, protective finish, rubber finishing bands or the chrome.

ADVANTAGES

1. 100% biodegradable and contains natural additives.
2. Contains a mixture of softening agents.
3. Contains a unique blend of corrosive inhibitors.
4. Mix easily in soft or hard water cold or hot.
5. Produce a controlled lather permitting the operator to see areas of the vehicle that were cleaned.

TECHNICAL DATA

pH (as is)	12.3
Density (20°C)	1.07 - 1.08 g/cc
Colour	Turquoise
Fragrance	None
Characteristic	Corrosive
Biodegradability	Complete
Flash Point	More than 95°C
Freezing Stability	Keep out from freezing
Degradability determined in accordance with OECD no. 301D.
